### What can Appointedd do for you?

- **Increase productivity** with improved organization and smoother, streamlined admin.
- **Save time** by letting customers make their own bookings online and automating confirmations and reminders.
- **Improve customer service** with 24/7 booking online and personalized marketing and promotions.
- **Increase revenue** by taking bookings anytime, even when you're busy, and reducing no-shows.

## Features to superpower your business

Appointedd has developed fantastic features designed with entrepreneurs and business owners like you in mind.

### Real Time Booking

Take bookings from your website or Facebook page and watch your calendar fill up! Customers choose the time slot they want and it appears instantaneously in your Appointedd diary. So easy.

### Take Bookings from Facebook

With our booking apps, you can take appointments straight from your Facebook page. Turn those likes into customers!

### Multi-Timezone Booking

Appointedd is the world's first truly multi-timezone online booking tool. Schedule calls and meetings internationally without the timezone math.

### Customer Relationship Management

Set up marketing campaigns in a few clicks with our customizable marketing emails and SMS. And with automatic text and email reminders you can effortlessly improve customer experience without losing any valuable time.

*Appointedd's text message reminders reduce no-shows by up to 67%*

### Productivity Reports

With detailed customer, staff, and business reports, you can monitor and optimize the health of your business. Our technology ensures no business misses out on the data-driven revolution.

### External Calendar Synchronization

Appointedd has a two-way calendar synchronization with all major external calendar systems. That means that any appointments made through Appointedd will automatically appear in your external calendar.

### Online Payment & Bookkeeping

Make sure you never miss out by taking payments or deposits at the time of booking. Thanks to Appointedd's integration with FreeAgent, you can access full payment history and keep your accounts up to date.

### Business Management Suite

With Appointedd you can manage bookings, customers, and staff anywhere, on any device. Customer records are stored securely making it easy to manage customer relations and take bookings on the move.
