Take booking and appointments online to grow your service business empire

About Appointedd

Appointedd is a market-leading online booking solution, with tools that let you manage your business, or businesses, from a single platform. From taking appointments anytime, anywhere, to managing staff and improving customer service, we can help you step up your service business and take over the world.

What can Appointedd do for you?

We're old hands when it comes to working with service businesses that sell their service by a timeslot appointment. Our system has been designed and honed with you in mind.

- **Always be in control** with improved organization of staff schedules and automatic reports that show you areas for improvement at a glance.
- **Grow your business** by taking more appointments, getting more repeat bookings, easily winning new customers, and increasing customer loyalty.
- **Save time** through automation of admin tasks and less time spent taking appointments over the phone.
- **Improve customer service** with automatic confirmations and reminders, 24/7 booking online, and personalized marketing and promotions by email and SMS.
- **Increase revenue** by reducing no-shows, accepting payments or deposits at time of booking, and easily filling more empty appointment slots at the last minute.
